

HEALTH AND SAFETY POLICY STATEMENT

The Company aims to ensure the safety and wellbeing of our employees and all those affected by our activities by providing and promoting a safe and healthy working environment.

We will maintain and further develop this policy and will provide relevant information to all of our employees so as to ensure they are aware of, and, adhere to, our health and safety procedures.

We will achieve this by:

- Carrying out written risk assessments for all operations which have significant hazards, recording the risks and control measures.
- Communicating such information as may be necessary to assist in the implementation of safe practice.
- Providing appropriate instruction and training to employees.
- Providing plant and equipment that is both suitable and safe to use.
- Ensuring suitable protective equipment is provided and used.
- Providing adequate supervision and monitoring.
- Ensuring procedures are in place regarding fire and other emergencies.
- Ensuring high standards of welfare hygiene together with site cleanliness and tidiness.
- Seeking out improvements in health and safety performance and the prevention of incidents.
- Helping employees to understand they have a personal responsibility to act in a manner that ensures the health, safety and welfare of themselves and others.
